

FIRST AFRICAN SYMPOSIUM ON ZOOLOGICAL MEDICINE

18TH AND 19TH JULY 2009

ANGLO GOLD CONFERENCE CENTRE, THE JOHANNESBURG ZOO

Join fourteen of South Africa's most experienced exotic pet and zoo vets for two days of quality CPD at the Johannesburg Zoo. Brush up on your avian, reptile, fish and primate medicine and surgery and attend specific sessions on anaesthesia, nutritional diseases, diagnostic imaging, nursing and dentistry of exotic animals. Topics include:

- Anaesthesia of zoo animals and exotic pets – Dr Leon Venter
 - Reptile medicine and surgery – Dr Dorianne Elliot
 - Avian medicine and surgery - Dr Michelle Barrows
- Nutrition and nutritional diseases of zoo animals – Dr Adrian Tordiffe
 - Primate medicine and surgery – Dr Willemien Van Wyk
 - Diagnostic imaging of exotic animals – Prof Wencke Wagner
 - Fish medicine and surgery – Dr Stephen Van der Spuy
- Veterinary nursing of zoo animals and exotic pets – Sr Jeanne Marie Pittman
- Training of zoo animals for medical procedures – Dr Mark Penning
 - Zoo animal dentistry – Dr Gerhard Steenkamp
 - Preventative medicine – Dr Michelle Barrows
 - Conservation medicine – Dr Adrian Tordiffe
- Marine mammal medicine and surgery – Dr Corrina Pieterse
 - Ungulate medicine and surgery – Dr Katja Koepfel
 - Pathology of zoo animals – Dr Emily Lane
 - Zoological veterinary research – Dr Adrian Tordiffe
